Details

A traditionally styled house newly built to a high specification in a perfectly orientated half acre garden in a highly sought after estate.

The character of the house is immediately evident upon entering the magnificent reception hall which will feature a stunning vaulted ceiling in traditional oak joinery with a galleried oak staircase to the first and second floors. Fireplaces are evident in both the drawing and family rooms which like the dining and kitchen has double doors opening to the rear terrace and garden.

The kitchen/breakfast room will feature handmade custom built kitchen units with oak cornering and skirting complimented by granite work surfaces to include a substantial socialising/breakfast island with food prep sink.

Upstairs is a spacious master bedroom with double doors to a superb dressing area and fabulous ensuite bathroom. There are four further bedrooms on this floor to include a spacious guest suite with

three of the four bedrooms having en-suite facilities. On the top floor is a further double bedroom with large en-suite bathroom.

The landscape drive creates an impressive entrance and plenty of parking with access to the double garage. The professionally landscaped gardens with an extensive natural stone patio across the rear of the house and comprise of a newly laid lawn with established trees and shrubs all of which are enhanced by the external lighting with power and water supply.
